GO ORANGE

25 NOVEMBER – 10 DECEMBER 2026

16 Days of Activism Against Gender-Based Violence

Violence against women and girls affects individuals, families and communities. Creating safer spaces requires all of us to recognise harmful behaviours, challenge attitudes that enable violence and support those affected.

London Heritage Quarter is standing in solidarity with the global movement to raise awareness, encourage meaningful conversations and promote collective responsibility in tackling violence against women and girls.

Together, we can make our communities safer. Recognise. Challenge. Support. Act.

Be informed. Be involved. Take action.
